MS51957 Machine Screws: Black Oxide to MIL-C-13924, Class 4

MS51958 Machine Screws: Black Oxide to MIL-C-13924, Class 4

The **KANEBRIDGE** ADVANTAGE

Over 43,000 Items

Everything you need from one place

Kanebridge is a master distributor with over 43,000 items in inventory, including almost 10,000 stainless steel and 2,000 Military fasteners.

Same-Day Shipping

Nobody's Faster

All orders placed by 5pm can ship the same day when using UPS. Emergency orders are ready within one hour. Airfreight orders placed by 8pm EST (5pm PST) can ship same day (based on stock availability in our California warehouse).

Fastener Specifications Guide

Your fastener questions answered!

Kanebridge's newest 6th edition of its *Fastener Specifications Guide* is available from all 3 of our branches. This hard cover reference volume is the most comprehensive & up-to-date collection of fastener specifications Kanebridge has ever compiled. The *Specification Guide* is also accessible at www.kanebridge.com.

99% Service Level

Don't wait for what you need now.

99% of the items we list are available from stock every day from one of our three warehouses located coast-to-coast: New Jersey, Illinois and California.

Drop Shipping

Use us as your extra warehouse.

Kanebridge can ship orders directly to your customer with a packing list & shipping label that identify you as the supplier. You can also use our *Custom Label* service to further simplify your supply chain.

Order By Credit Card

Instant Convenience

We accept Visa, MasterCard, Discover and American Express for new sales orders and outstanding balances.

Free Manufacturers' Certifications

Quality authenticated

Chemical & Physical certifications are available on all thru-hardened parts as well as all items made to military specifications. We keep all certifications archived and easily accessible. Call us or download the appropriate certifications directly from our website.

No Fault Return Policy

Peace of Mind

We accept returns of full cartons for any reason. There is no restock charge when items are returned within 30 days, without any alterations and accompanied by a return authorization. Parts returned after 30 days are subject to a 20% restock fee; after 90 days returns may not be accepted. Returns should be in their original boxes and must not be mingled.

Thru-hardened or military-grade fasteners will not be accepted unless returned in their original box(es).

Traceability

Pinpoint Accuracy

Lot Control is maintained on all items in our inventory.

Custom Labeling

Material Handling made easier

Streamline your receiving operations by letting Kanebridge affix custom labels to each box you order. Include all info you need: part number, description, lot number & country of origin in alphanumeric and/or bar code formats

QSLD

Qualified Distributor

What Does QSLD Approval Mean?

The Defense Supply Center Philadelphia (DSCP) for Class 2 Threaded Fasteners identifying pre-qualified sources for certain products purchased by DSCP. Distributors on this list are recognized by DSCP as meeting all necessary criteria--particularly regarding quality control--to sell specified fasteners that are ultimately sold to DSCP.

For thirteen years, Kanebridge has been approved by DSCP as having met all of the requirements to be such a distributor.

As of December 31, 2018, Kanebridge's QSLD "Qualified Distributor" Status Has Been Reaffirmed for a Three-year Period.

This means that any military-grade parts sold from Kanebridge's Elgin, Illinois facility, that were purchased from and made by a QSLM-approved manufacturer can be purchased by another distributor on the QSLD-Approved list for resale to DSCP. If you are already a QSLD-Approved distributor, congratulations! Kanebridge completes the chain of distribution that gives you a reliable source for fully certified, military-grade hardware that ships the same day.

These Kanebridge Items are QSLD-Approved

Kanebridge Corporation (cc 3PGS4)
1125 Gateway Drive
Elgin, IL 60124

Dear Vendor:

DLA Troop Support Industrial Hardware has approved Kanebridge Corporation (cc 3PGS4) renewal application as a qualified Distributor of Class 2 and Class 3 Threaded Fasteners under the Qualified Suppliers List for Distributors (QSLD) Program for another 3 years, effective the date of this letter. Keep in mind that audits may be conducted at any time, and qualification is always contingent upon your continual compliance with the *Criteria and Provisions* of the QSLD Program.

As a reminder, your company's status as an approved source will expire on December 30, 2021. A renewal application must be submitted 120 days before the expiration date in order for your application to be processed in a timely manner. If your status expired and no renewal application has been submitted, your company will be removed from the QSL program.

Any questions regarding this matter can be addressed to Nicholas Vena at (215) 737-0934 or nicholas.vena@dla.mil. You can also browse the DLA QSL website at <http://www.dla.mil/TroopSupport/IndustrialHardware/EngineeringandTechnicalservices/QualifiedSuppliersList.aspx>. The Criteria and Provisions for each commodity type within the QSL Program are updated periodically; as such, please review our website prior to submitting a renewal application. Thank you for your participation.

Regards,

A handwritten signature in blue ink, appearing to read "Nicholas Vena", is located below the "Regards," text.
